ONLINE  
VIA ZOOM

MAY 4, 2022  
6:00-7:30 PM

Join behavioral health educator, Lea Payne Scott, M.P.H. for a workshop on ways parents can support their children in the realm of virtual homeschool. Parents will explore strategies to address challenging behaviors at home while fostering cooperation and connection with their children that lay the foundation for an effective homeschooling environment. The workshop will weave practical brain-based strategies, mindfulness as well as steps to prevent caregiver fatigue.

*Enroll today free of charge*
