

South County Youth Coalition

COMMUNITY IMPACT REPORT

Our Mission

South County Youth Coalition supports a safe and nurturing community which honors cultural diversity and mutual respect and inspires all young people to develop to their full potential.

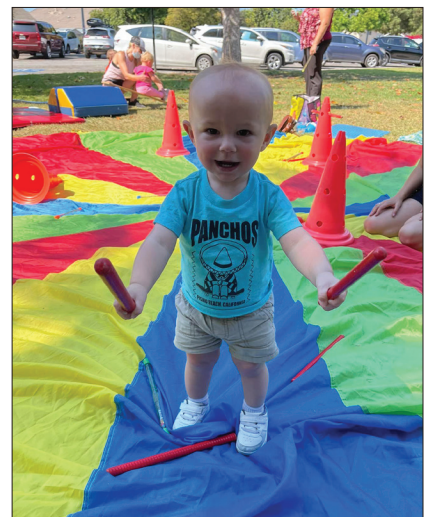

Our History

SCYC was formed in 1995 by private and public agencies, educators and concerned community members to support youth and families in need in South San Luis Obispo County.

What We Do

- ▶ Provide funding to students living in South County for sports, field trips, school supplies, technology, music lessons, camps, yearbooks, college and career readiness and other enrichment activities.
- ▶ React quickly to help families in need with basic needs such as food, clothing, gas, utilities and transportation.
- ▶ Provide no cost parenting and child-parent participation classes to foster responsible parenting and healthy families.
- ▶ Collaborate with other non-profits and county agencies to close need gaps in South County and promote increased opportunities for education, recreation and community involvement.

SOUTH COUNTY YOUTH COALITION IN ACTION

Holiday Program

The generous holiday spirit of our community allowed SCYC to serve nearly 100 families during the 2022 holiday season! More than \$10,000 was donated by individuals and organizations. Another 30 community members sponsored a local family in need, fulfilling wish lists for kids and parents. We also distributed incredible donations of toys, personal care items, food and gift cards. Our heartfelt thanks to all our partners who brightened the holidays for struggling families in our community.

Trilogy Education Fund

Thanks to the dedicated fundraising efforts of Trilogy Service Club at Monarch Dunes in Nipomo, South County Youth Coalition established an education and career readiness fund, which directed over \$14,000 to local students in 2022. A portion of the fund supported 14 college-bound South County students identified with financial need. They were each awarded a \$500 grant used for computers, books, dorm supplies, luggage, travel costs, or other college-related expenses.

Parenting Classes

With the support of our partners at First 5, Parent Connection and Lucia Mar School District, SCYC offered over 100 parenting and parent-child participation classes in 2022. Targeting infants through teenagers, topics included nutrition, imaginative play, movement, healthy relationships, emotional safety, social media, bonding through art and resiliency. A selection of classes was offered in Spanish.

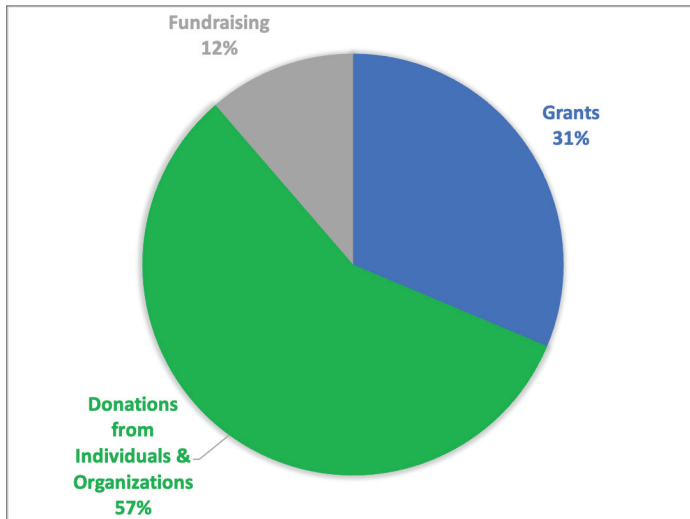

Womenade

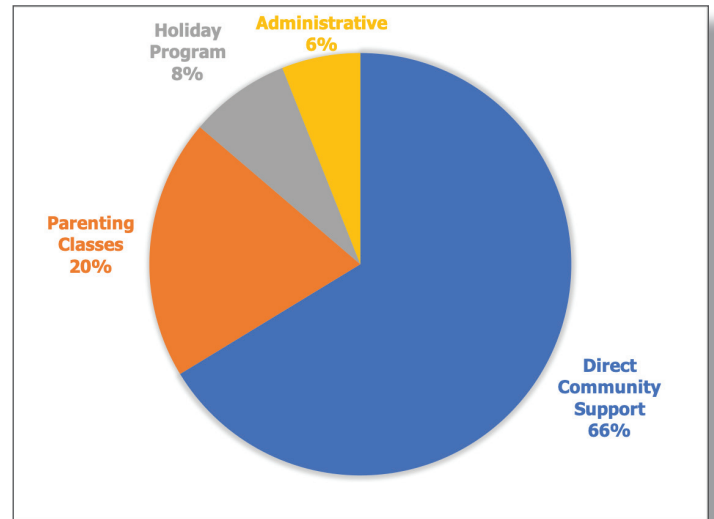

South SLO County Womenade continues to be a steadfast supporter of the most vulnerable families in our community. With their generous donations to each Family Resource Center in Nipomo, Oceano and Arroyo Grande, Womenade allows us to react quickly to urgent needs and crises.
