

Parent Support Group

Connect with other parents in the community and explore ways to support the stability and success of your family.

This support group is facilitated by Maria Patino. Mrs. Patino is a Promotora, a leader and volunteer in the Oceano community, and volunteer for Lucia Mar Unified School District. She is the mother of four children and has been married to her husband for twenty-two years. Mrs. Patino is passionate about her family, her culture and her community. She has been a participant of parenting classes and support groups in Oceano for several years and is excited for the opportunity to facilitate this group, share what she has learned, and bring parents together in a positive way.

Hello, my name is Maria Patino. My husband's name is Ruben Pille and we have been married for 22 years. We have 4 children together; Ruben Jr. is 21 and is a student at Cuesta College, Karina is 17 and is a 12th grade student at Arroyo Grande High School, Liliana is 13 and is an 8th grade student and my youngest son Sebastian is 8 and is a 3rd grader at Fair Grove Elementary.

I have served as a promotor of San Luis Obispo County for over 6 years. I am a parent leader, parent volunteer at my son's elementary school and community volunteer. I enjoy the volunteer work I do in the community and I like to share what I have learned with others.

**Support group meets at Hero Park 3:30-5:30pm
1600 Farroll Rd. Grover Beach, Ca.**
